Every little detail counts when you are planning the perfect wedding. At **A Lot of Weddings** you will find the most exquisite favour boxes filled with delicious confectionery. As a company we have been trading on the Internet since 2004, so you can be rest assured that you are buying quality products from an established and reliable company. We have a strong ethical background, specialising in organic, fair trade and environmentally friendly products.

We know just how much planning is involved to make the perfect wedding so we aim to make choosing your wedding favours hassle free. As weddings are usually planned around a certain colour scheme, this brochure along with our website lists boxes by colour, to make it easier for you to find the box you want to match your scheme.

Your boxes will arrive flat packed together with your chosen fillings for you to assemble and fill or, alternatively, if time is of an essence you may choose for them to be pre-assembled and packed by our experienced team. There is also a range of decorative flowers and ribbons for you to achieve your desired look. Visit our website www.alotofweddings.co.uk to view our full range and prices, or give us a call on **0845 094 6498**.

Over the next few pages you will see a selection of the boxes we regularly keep in stock. This means you could order one day and have them the next. Please visit the website www.alotofweddings.co.uk to place your order or telephone **0845 094 6498**.

“

A quick note of thanks for the wonderful wedding favours. It was great being able to mix and match 'his' and 'hers' boxes and they tied in brilliantly with our colour theme. Your efficient service meant that I had one less thing to worry about leading up to our 'big day'.

Claire Smith

I just wanted to say thank you for the chocolates that have arrived in perfect condition and also for the fast despatch on them, it has been much appreciated.
